Make your mind up
When I talk
Mum says I am a chatter box
When I am quiet
I am in a mood
When I nod
I am being ignorant
When I answer back

I am being rude
When I sit still
I am being boring
When I run about
I am a pain in the neck
When I rush my dinner
I am being greedy
When I don't my mother frets

I very often wonder
If grownups understand
If it's the children that they really want
Or robots to command
Because everything I seem to do
I never get it right
The only option left to me
Is to keep well out of sight

I am sure you have heard the phrase
"We should be seen and not be heard"
I think it would be worthy to add a teeny tiny word
Children should be children not be seen not be heard
