 A) Levi-Straus  
 B) Radcliffe Brown  
 C) Clifford  
 D) Malinowski

66. Write the example of multiple allele from the following.
- |               |                    |
|---------------|--------------------|
| A) Syndactyly | B) ABO blood group |
| C) Albinism   | D) Baldness        |
67. Linnaeus is associated with -----
- |                        |                        |
|------------------------|------------------------|
| A) Binary Nomenclature | B) Theory of Dominance |
| C) Genetics            | D) Cell biology        |
68. Franz Boas is associated with,
- |                         |                             |
|-------------------------|-----------------------------|
| A) Cultural materialism | B) Historical Particularism |
| C) Cultural ecology     | D) Determinism              |
69. Todas of Nilgiris are example of,
- |                   |                      |
|-------------------|----------------------|
| A) Ghost marriage | B) Exchange marriage |
| C) Polyandry      | D) Sambandham        |
70. The concept 'Parochialization' is developed by,
- |                  |                    |
|------------------|--------------------|
| A) D.N. Majumdar | B) M.N. Srinivas   |
| C) Mckim Marriot | D) Robert Redfield |
71. Chiefdom is the form of sociopolitical organization intermediate between -
- |                        |                    |
|------------------------|--------------------|
| A) Tribe and State     | B) Tribe and Caste |
| C) Tribe and Non tribe | D) Tribe and Tribe |
72. Radcliffe Brown was the chief pioneer of,
- |   |
|---|
| A) British school of structural functionalism |
| B) American School of Diffusion               |
| C) Historical Particularism                   |
| D) Cultural Materialism                       |
73. American school of Diffusion was established by,
- |                 |                  |
|-----------------|------------------|
| A) Franz Boas   | B) W.James Perry |
| C) Elliot Smith | D) Raymond Firth |
74. In the formula  $E \times T = C$ , what does 'T' stand for?
- |                    |               |
|--------------------|---------------|
| A) Tribe           | B) Technology |
| C) Turn over ratio | D) Theory     |
75. Statement related to Psychic unity of mankind,
- |   |
|---|
| A) Mankind of the world think alike in family crisis                                    |
| B) Under similar social conditions, mankind of the world show different progress        |
| C) Differential development and environmental role are inversely proportional           |
| D) Under similar environmental condition, mankind of the world progress in similar way. |

86. When the elements of a great tradition filter down to the people, the process of such a spread is known as,  
 A) Universalization                      B) Sanskritization  
 C) Parochialization                      D) Desanskritization
