"The crown and glory of life is character. It is the noblest possession of a man, constituting a rank in itself. An estate in the general goodwill dignifying every station and exalting every position in society. It exercises greater power than wealth, and secures all the honour without the jealousy of fame. It carries with it an influence without the jealousy of fame. It carries with it an influence which always tells, for it is result of proved honour, rectitude and consistency – qualities which perhaps more than any other, command the general confidence and respect of mankind character is human nature in its best form. It is the moral order embodied in the individual. Men of character are not only the conscience of society but in every well-governed state, they are its best motive power, for it is moral qualities in the man which rule the world. Even in war Napoleon said, "The moral is to the physical is ten to one"
