The accused Ram Singh Rajput is my son. The deceased Ram Nath was also my son.

The incident took place about four years ago at about 6 P.M. in the house of the accused. The deceased Ram Nath was also staying with the accused in the same house. I was living separately at a distance of about 100 yards. The accused was living with his wife and children. However the deceased was unmarried.

At about 9 P.M., I was reported about the incident by my elder brother Sohrai Rajput while I was working in the factory. He told me that someone killed Ram Nath. Getting this news, I went to the place of occurrence. I found Ram Nath lying dead inside the room. I saw two cut wounds, one on the neck and one on the cheek.

Thereafter, I informed about the incident to the garden Manager. Then, I lodged the F.I.R., which was written by the village geonbuda at my instance. I had also given my LTI on the F.I.R.

Police came for the investigation on the next morning. The I.O. took the deadbody for autopsy. I met the accused in the garden hospital and on being enquired, the accused told me that he had committed the offence. The accused further told me that he killed Ram Nath in the midst of a quarrel. I handed over the accused to the police. One police officer had performed inquest over the deadbody and prepared a report. I had given my L.T.I. on the said report.

On S.A.

On 13.7.2000 I was attached to Tinsukia Police Station.
On that day, one Kunsi Rajput lodged an F.I.R. at Tinsukia P.S.,
alleging that on the previous night, some unknown person committed
murder of his son Ram Nath Rajput. This F.I.R. was registered
as Tinsukia P.S. Case No.257/2000 u/s.302 I.P.C. Ext.4 is the
F.I.R. and Ext.4(1) is the signature of the then O.C., Tinsukia
P.S., Inspector Gautam Bora, which is known to me. The case was
endorsed to me for investigation. I visited the place of occurrence
at 1 P.M. The dead body was lying inside the house of the
informant. I had noticed one cut wound on the neck of the deceased.

I had requisitioned the services of one Executive
Magistrate. Accordingly, Sri Rajen Mahanta also visited the P.O.
and held inquest on the dead body. Ext.5 is the inquest report
and Ext.5(1) is the signature of the Executive Magistrate, which
was given in my presence.

Thereafter, I prepared one sketch map of the P.O. Ext.6

by recording of statements of witnesses.

At the time of my visiting the P.O., the accused was
also present at home. Till then, I did not get any evidence of

his involvement in the crime. Subsequently, on 15.7.2000 I could know from confidential source that the murder was committed by the accused. Then, I brought the accused to police station for interrogation. The accused confessed before me that he had committed murder of his brother. The accused also stated before me that the deceased was assaulted with an axe which was thrown in the jungle and the accused promised me to lead and produce the weapon of offence.

The accused was brought to the police station on 15.7.2000 at 1.20 P.M. After one hour, the accused was again taken to the P.O. We reached the P.O. at 2.50 P.M. The accused led us to nearby jungle, wherefrom an axe was recovered at the instance of the accused. The axe was seized by me. Ext.1 is the seizure-memo and Ext.1(2) is my signature. Before recovery of weapon, I had taken one Ashok Tassa and Ananda Tanti with me. These persons had witnessed the recovery and seizure. The accused had also put his signature on the seizure-memo.

Ext.7 is the extract of the statement of the accused regarding leading to discovery of the weapon. Ext.7(1) is my signature.

The accused was formally arrested on the same day at 4.10 P.M. The accused was forwarded to Court on the next day. On my transfer from Tinsukia Police Station, the charge-sheet was finally submitted by S.I. Ratul Gogoi on 9.6.2002. Ext.8 is the charge-sheet and Ext.8(1) is the signature of S.I. Ratul Gogoi.

XXX

It is not a fact that the accused did not confess his guilt before me. The axe was thrown in bushes and it was not visible. It is a fact that I have not stated this detail in the seizure-memo. It is a fact that ^{witness} Mansuk Rajput did not say before me that the accused had killed his brother.

It is not a fact that the accused has been challaned in the case without any factive investigation.

(TO THE COURT)

It is a fact that while forwarding the accused to the Court, I did not make any prayer for recording his confessional statement. The seized weapon was also not sent to any forensic laboratory.
