- (d) She ----- worried about some thing. (looks, looking, is looking)
- (e) It started to rain while we ----- Tennis. (are playing, were playing)
- (f) We scored as many goals as ----- had played. (they, them)
- (g) Rama and ----- Try what we can do. (I, me)
- (h) Wait for Hari and ----- . (I, me)

- Q. 4 Write an application for job to Manager of a firm.  
Write an application for 02 days leave to Principal of a School.  
Write a letter to your father for sending Rs. 1000/- by Money Order.  
Write a letter to your father after visiting a trip to Taj Mahal.  
Write a letter to your friend for joining a cricket match.
- Q.5 Write one word for these-
- i. A leather or plastic case for carrying, paper, books, clothes etc.  
Answer – Brief Case.
  - ii. A box used for protecting money and other valuable from thieves & fire.  
Answer – Safe
  - iii. A large field for aero plane.  
Answer - Aerodrum
  - iv. An item specially made for keeping fish.  
Answer – Aquarium
  - v. A place where alcoholic drinks are served & sold.  
Answer – Bar
  - vi. A place where breads/Biscuits etc. are made & sold.  
Answer – Bakery
  - vii. A place where clothes are washed & ironed.  
Answer - Laundry
  - viii. One who makes the plans for new buildings.  
Answer - Architect
  - ix) One who reads out information on radio & T.V.  
Answer – News Reader
  - x. One who gathers news for newspaper or magazine.  
Answer - Reporter
  - xi. One who travels to a holy place.  
Answer - Pilgrim
  - xii. The art of telling the future by study of the stars.  
Answer - Astrology
  - xiii. The art of cultivating & managing gardens.  
Answer - Horticulture
  - xiv. Which can not be read.  
Answer - Illigible
  - xv. A list of items to be served at meal.  
Answer – Menue
  - xvi. One who can do shorthand & Typewriting.  
Answer - Stenographer
  - xvii. One who make things out of wood.  
Answer – Carpenter
  - xviii. A place where milk is kept for butter  
Answer – Dairy
  - xix. One who goes place to place for selling things.  
Answer - Hawker
  - xx. One who practices law.  
Answer – Advocate

- xxi. The science of plants.  
Answer – Botany.
- xxii. The scientific study of animal life.  
Answer – Zoology.

Q.6 Write antonyms of – Able (unable), fit (Unfit), like (Unlike), honest (dishonest), correct (Incorrect), complete (Incomplete), regular (Irregular), religious (Irreligious), moral (immoral), payment (Non payment), careful (careless), examiner (Examinee), employer (Employee), above (Beneath), absent (Present), Big (Small), Early (Late), foolish (Wise), High (Low), Hot (Cold), Loud (Silent), remember (Forget), Strong (Weak), young (Old), Thick (Thin), War (Peace), odd (Even), Major (Minor), Loose (Tight), long (Short), Junior (Senior), just (Unjust), fearful (Fearless), Excess (Shortage), Hard (Soft).

OR

Write correct spelling. –

Absence (Absence), Across (Across), Annual (Annual), Appropriate (Appropriate), commercial (Commercial), committee (Committee), depot (Depot), dictionary (Dictionary), Guitar (Guitars), Program (Programme), Vacuum (Vacuum), woolen (Woolen), umbrella (Umbrella), permanent (Permanent), Opposite (Opposite), marriage (Marriage), knowledge (Knowledge), technique (Technique), professor (Professor), Parallel (Parallel).

OR

Correct the sentences –

- i. He laughed on (at) me.
