CHAVARA CHARITABLE SOCIETY, DHULE

Chavara Talent Search(CTS) 2015-16

Question Paper (Second level)

Marks : 200	Std: V	,	Time: 2 ½ H			
1) Choose the incorrect set	entence from the given	sentences				
1) Wild animals liv	2) Pet animals li	2) Pet animals live at home				
3) Domestic anima	ls are our enemies	4) Fish live in w	vater			
2) Choose the proper mas	sculine noun for the giv	en feminine noun:				
1) drone	2) peacock	3) cock	4) doe			
3) Find out the adjective Mohan is a young eng	U	elow:				
1) engineer	2) Mohan	3) young	4) is			
4) He complained	the injustice do	ne to him. (Choose	e the correct			
conjunction to fill in the	ne blank.)					
1) about	2) with	3) for	4) on			
Choose the correct con	njunction to fill in the b	lank.				
5) Choose the sentence that conveys the correct meaning of the given proverb. Time and tide waits for no man.						
1) Time is very imp	portant and one must no	ot waste it.				
2) Time and tide go hand in hand						
3) It is useless to wait for the tide						
4) No one waits for time and tide						
6) Find out the pronoun in the sentence given below: They never could agree about anything						
1) never	2) they	3) about	4) anything			
7) Which of the following can be used only in the singular?						
1) lice	2) rice	3) mice	4) dice			
8) Choose the correct synonym for 'significant'						
1) trifle	2) insignificant	3) important	4) strong			

 9) Identify the kind of verb of underlined word: Mary <u>could</u> sing beautifully. 1) intransitive 2) transitive 3) auxiliary 4) weak 						
10) Identify the correct tense form in the given sentence:Our students had participated in the drawing competition.						
1) Future perfect ten	se	2) Presen	t perfect tense			
3) Past perfect tense	3) Past perfect tense 4) None of these					
11) Choose the sentence wi	ith the wrong usa	age of the apostro	phe			
1) Aren't you comin	g home?	2) It's quite late				
3) The cat licked it's	tail.	4) I can't accept	t this gift			
12) Some people are disple	eased	_ the way they lo	ok.			
1) in 2) at	3) for	4) with			
13) Find the word spelt cor	rectly from those	e give below.				
1) Quarell 2) Quarrel	3) Querral	4) Quarral			
14) Find out the word whic expensive	ch is opposite in t	meaning to the given the givent the givent the givent the given the givent the given the givent the given the givent the given the givent the given the givent the given the givent the givent the givent the given the given the	ven word			
1) uneconomical	2) dear	3) cheap	4) none of these			
15) Rama loves to play gam	mes.(Identify the	e part of speech of	f the underlined word)			
1) Noun	2) Pronoun	3) verb	4) Adverb			
16) I stayed at home	it was rai	ning.				
1) when	2) before	3) bec.	ause 4) since			
17) What a wonderful displ	lay of fireworks!	!				
1) assertive 2) imperative	3) exclamatory	4) interrogative			
18) Take this book immediately.						
1) assertive 2) imperative	3) interrogative	4) exclamatory			
19) Find out the home of spider from the following:						
1) shell 2) web	3) hair	4) den			
20) Choose the correct collective noun for the following: A group of mountains.						
1) chain 2) cluster	3) culm	4) clouds			

21) Identify future continous tense from the given options.

- 1) Neha is playing cricket 2) Rohan will play nicely
- 3) I will be going to Mumbai tomorrow 4) Rajan dances everyday

22) Choose the correct passive voice sentence for the given below: Charles always helped the poor.

- 1) The poor were always helped by Charles.
- 2) The poor is always helped by Charles.
- 3) The poor are always helped by Charles.
- 4) The poor will be always helped by Charles.
- 23) Identify noun form of 'Normal'.
 - 1) Normalcy
 - 2) Normally
 - 3) 1 and 2
 - 4) None
- 24) Which from the given sentences is the plural form of the given sentence Mango is sweet and tasty.
 - 1) Mangos is sweet an tasty.
 - 2) Mangos are sweet and tasty.
 - 3) Mangoes are sweet and tasty
 - 4) Mangoes is sweet and tasty
- 25) Give the meaning of underlined homograph:

Ram didn't feel well after falling to the well.

- 1) water resources2) in good health
- 3) tank 4) none of these
- 26) The value for Roman Numeral C is
 - 1) 50 2) 100 3) 10 4) 1000
- 27) The place value of 4 in the number 54321
 - 1) 400 2) 40 3) 4000 4) 4

28) The number is the smallest prime

1) 12) 23) 04) 5

numerals as 1)54623 2)45263 3)45632 4)45623 30) Find the value of x in the equation $6 + x = 9$ 1) 4 2) 7 3) 3 4) 2 31) If cost price = Rs 500 selling price= Rs 575 then 1) Profit= Rs 05 2) Rs 75 profit 3) loss= Rs 75 4) loss= Rs 05 32)1 litre petrol =	29) The number fourty five thousand six hundred twenty three is written in				
30) Find the value of x in the equation $6 + x = 9$ 1) 4 2) 7 3) 3 4) 2 31) If cost price = Rs 500 selling price= Rs 575 then 1) Profit= Rs 05 2) Rs 75 profit 3) loss= Rs 75 4) loss= Rs 05 32)1 litre petrol =		2) 45262	2) 15622	4)45602	
1) 4 2) 7 3) 3 4) 2 31)If cost price = Rs 500 selling price= Rs 575 then 1 1) Profit= Rs 0 Rs 75 rest 3) loss= Rs 75 4) loss= Rs 05 32)1 litre petrol =	1)54623	2)45265	3)43032	4)43023
