Once the wind and the sun had an argument. I am stronger than you. said the wind. 'No you are not, 'said the sun'. Just at that moment they saw a traveller walking across the road. The traveller was wrapped in a shawl. The sun and the wind agreed that whoever could separate the traveller from his shawl was stronger. The wind took the first turn. He blew with all his might to tear the traveller's shawl from his shoulders. But the harder he blew the tighter the traveller gripped the shawl to his body. The struggle went on till the wind's turn was over. Now it was Sun's turn. The Sun smiled warmly. The traveller felt the warmth of the smiling sun. Soon he let the shawl fall open. The Sun's smile grew warmer and warmer. Now the traveller no longer needed his shawl. He took it off and dropped it on the ground. The sun was declared stronger than the wind.
